

Amphibian Species List

This species list was created using data collected by frog monitoring studies, over 2,600 citizen scientists via [the Osa Biodiversity Survey](#) (an iNaturalist project), personnel observations and a formal literature review^{1 & 2}.

Anura

Bufonidae

Incilius

Incilius aucoinae

Rhinella

Rhinella horribilis

Centrolenidae

Cochranella

Cochranella granulosa

Hyalinobatrachium

Hyalinobatrachium valerioi

Hyalinobatrachium colymbiphylum

Teratohyla

Teratohyla pulverata

Craugastoridae

Craugastor

1300 I St. Northwest Suite 400E - #9996
Washington, DC 20005
202-765-2266
www.osaconservation.org

CONSERVING COSTA RICA'S NATURAL TREASURE

Craugastor fitzingeri

Craugastor stejnegerianus

Dendrobatidae

Allobates

Allobates talamancae

Dendrobates

Dendrobates auratus

Oophaga

Oophaga granulifera

Silverstoneia

Silverstoneia flotator

Phyllobates

Phyllobates lugubris

Eleutherodactylidae

Diasporus sp.

Hylidae

Agalychnis

Agalychnis callidryas

Agalychnis spurrelli

Boana

Boana rosenbergi

1300 I St. Northwest Suite 400E - #9996
Washington, DC 20005
202-765-2266
www.osaconservation.org

CONSERVING COSTA RICA'S NATURAL TREASURE

Dendropsophus

Dendropsophus ebraccatus

Scinax

Scinax elaeochroa

Scinax boulengeri

Smilisca

Smilisca phaeota

Smilisca sila

Smilisca sordida

Leptodactylidae

Leptodactylus

Leptodactylus insularum

Leptodactylus savagei

Engystomops

Engystomops pustulosus

Ranidae

Lithobates (Rana)

Lithobates warszewitschii

Strabomantidae

Pristimantis

Pristimantis ridens

1300 I St. Northwest Suite 400E - #9996
Washington, DC 20005
202-765-2266

CONSERVING COSTA RICA'S NATURAL TREASURE

Caudata

Plethodontidae

Bolitoglossa

Bolitoglossa lignicolor

Oedipina

Oedipina alleni

Oedipina pacificensis

Gymnophiona

Caecillidae

Osaecilia

Osaecilia osae

Dermophiidae

Gymnophis

Gymnophis multiplicata
